Deer heaven at stag party

"My wife stripped off in a seedy Amsterdam sex club and loved it"

My wife Diane and I have just returned from a trip to Amsterdam which was probably the best sexual adventure we have both ever experienced.

One night we decided to visit a rather seedy looking table dancing club on the outskirts of the city. We were shown to a table that was also being used by a group of Germans out on a stag weekend.

Given the crowd, there clearly were not enough girls to go around and the men on our table were getting agitated at the long wait.

Diane and I had been drinking before we entered the club and we were feeling extremely horny.

Then one of the German guys, Dieter, asked Diane if she would perform for them as she was much sexier than the girls on the tables anyway.

All of his mates agreed and said that Diane should strip for their table. I looked at her and winked and I could see she was thinking about it.

I called the manager of the club over to see if it would be possible. If anything I think the manager was relieved to get help as the place was getting rowdy.

He agreed Diane could strip for us but she'd have to charge the going rates and give the money to him. With that Diane gulped down her drink and climbed onto the table.

She looked sexily into the eyes of the guy in front of her and began to rub her hands up and down her body. She invited the guys to unbutton and remove her blouse.

Then came her shirt followed very quickly by her bra and g-string, leaving her only in white platforms. Soon their hands were all over her as she took turns sitting on each of their laps.

Because she was so worked up herself she was letting them go a lot further than the club girls. She was passionately kissing them as they squeezed her tits, tweaked her nipples and fingered her soaking hole.

She then stretched on her back over the table, french kissing one guy while two either side of her sucked and played with her tits and two others rubbed her cunt and arse.

She was in heaven when one set of fingers found her clitoris, another set started pounding

ROCK AROUND THE COCK

Aaah! The fifties! While we Brits were eating rationed Spam in freezing bombed-out terraces watching the empire, and our roof, crumble, the Yanks were drinking milkshakes in sparkly soda fountains before getting into huge T-birds for a bit of "heavy petting" down the drive-in. They do like to rub it in, don't they? Which is just what Sandy and Puma Swede (*pictured*) do with a bunch of cream in this dirty dairy scene from fifties-set Private flick *Fuck Me Tender* that will have you spilling your own Elmlea. Other scenes from the decade of hot rods and reds under the bed are the hot bods of Cherry Kiss, Jalace, Lyen and *Club International* legend Sandy giving head on some beds.

in and out of her cunt and another jammed up her arse.

She convulsed before us as an almighty orgasm ripped through her body. Then the manager grabbed her by the hand and led her, still naked, to another table close by.

I looked across and saw pretty much the same scene - Diane spread across the table, hands all over her exploring every inch of her sexy body.

I saw Diane being led off again by the manager with a big black guy who was paying for a private performance behind screens at the back of the club.

Diane told me later that by then she had needed a good fucking and was not disappointed. She helped him undress and he fucked her long and hard while she bent over a chair.

She said his cock felt massive as he drove it into her with long powerful strokes and his big hands came round to cup her tits and pinch her nipples.

Soon he was shooting wads of hot cum deep into her and this in turn brought her to her own mind-blowing climax.

After that she returned to me at the table and put her clothes back on, despite protests from the guys at our table.

We couldn't wait to get back to our hotel to fuck each other senseless.

A bloke goes on a blind date, but within minutes of meeting the girl, he can't stand her. Luckily, he's prepared for this eventuality, and has arranged for a mate to call with 'bad news' so he can make his excuses and leave early. When the call finally comes, the guy listens with a pained expression on his face and upon hanging up, lowers his eyes with a tearful expression on his face. "I'm so sorry, but I'm going to have to leave. That was my mum; my granddad has just died." His date nods and grabs her bag, "Thank fuck for that! If yours hadn't, mine would have had to!"

A man is driving along the motorway, singing at the top of his voice, when he is pulled over by a policeman. The officer motions for him to wind down his window, then politely asks him, "Have you been drinking, sir?" The man snorts, "Do you see a fat bird in my car?"

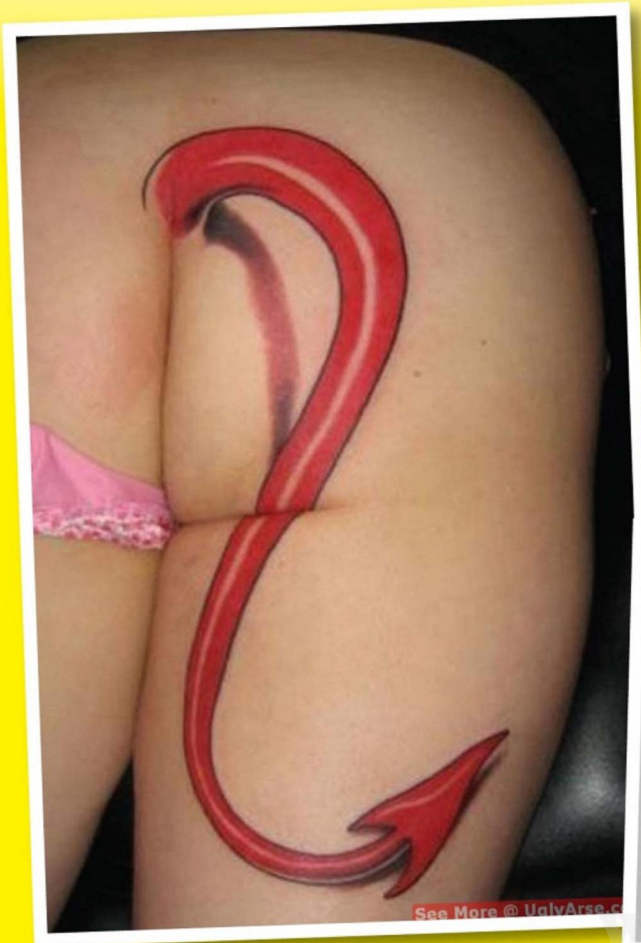

What was the Energizer Bunny arrested for?
He was charged with battery.

Every time my wife and I have sex, she has a habit of doing this really annoying thing with her tongue, which turns me off instantly - she speaks.

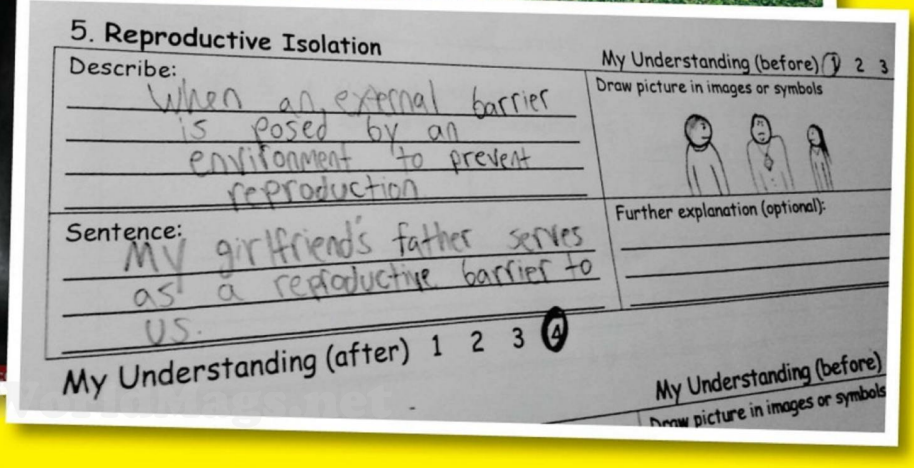

How do you save a man from drowning?
Take your foot off his head.

A male egg and a female egg are boiling away in a saucepan. The female egg remarks, "Look! I've got a crack!" The male egg tuts and replies, "Well, it's no good telling me - I'm not hard yet!"

TRUE CONF

WORRIED YOUR WIFE MIGHT FIND YOUR SECRET PORN STASH? DON'T BE, SAYS GILLY

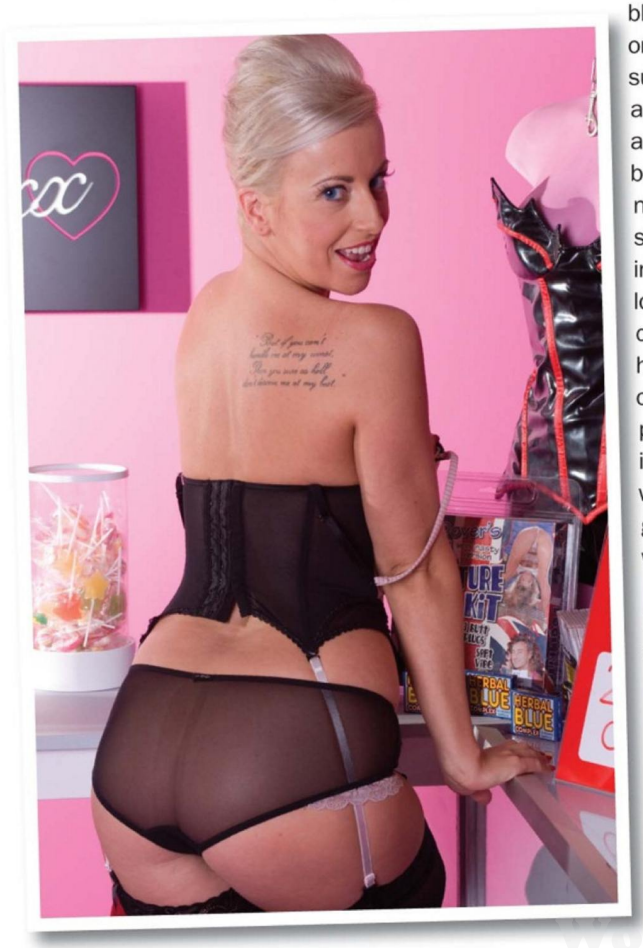

Alfie and I have been happily married for three years now, and I didn't think we had any secrets from each other until a few weeks ago, when I found his hidden stash of DVDs.

I've always been quite shy and embarrassed about pornography, and have only seen a handful in my life, and if the DVDs hadn't had R18 stickers on them, I'd have assumed they were illegal. An ex-boyfriend had a soft-core porno once, and it was pathetically coy, even to my naïve eyes – there was no full-frontal nudity and the simulated sex scenes were laughable; all you got to see were tits and bums!

However, the covers of Alfie's little collection were far from coy – good-looking men with huge erections stuffed into girl's mouths, fannies and arseholes. I was shocked, but couldn't help being a bit curious. The first disc that I picked up had a photo of a beautiful blonde girl on it, and I just couldn't picture her doing anything sexual, let alone being dirty. I hesitated for a moment, but finally curiosity got the better of me and decided it wouldn't hurt to take a peek at it.

Flicking through the scene selection menu on the player downstairs, I noticed that it seemed to be an all-lesbian show. Each selection had a little loop of the action displayed. One of them, starring the DVD cover girl and an attractive brunette, caught my eye so I settled on it and hit play.

On the screen, the sexy blonde was sitting on a bar-top – the surface was glass and chrome – and behind the bar was a pink neon sign that said something in German. She looked into the camera and licked her finger, before laying back on the bar and rubbing her pussy. The camera zoomed in on this – her labia lips were all wet and crinkled, glistening as her finger worked itself between them.

I could feel my own lips beginning to get wet, too, as her nimble digits concentrated on her clit. Suddenly a tongue appeared in the shot, snaking straight up her slit. The camera panned out to show that the brunette had joined her on the counter top. I've never seen anyone performing cunnilingus before, but this girl was so accomplished and had such an agile tongue, that I couldn't tear myself away. I felt a bit guilty for it, but found

FESSIONS

myself wishing that Alfie could do as good as a job as her when he went down on me. But I also wondered what another woman's pussy would taste and smell like.

Both girls must have had boob jobs, because as they lay down their tits stayed pert and firm, and didn't flatten or slide to the side like most boobs did. I wondered what they must feel like, as one of the girls started to squeeze the other's rounded orbs, sucking her nipples which elongated dramatically.

I was breathing heavily as the girls took it in turns to play with each other's pussies, and as the action heated up on screen, my hand slipped up under my skirt and, pulling my gusset to one side, I began to synchronise my caresses with those of the porn stars.

Those gentle strokes grew more vigorous as the girls wanked and licked each other furiously. And when they got a long double-ended dildo out and inserted either end into their glistening snatches, I wished I was part of the action too. They lay on their backs, grinding their pussies together and screaming ecstatically as their plastic partner pleasured them both simultaneously.

By now, I was lying on the floor with my skirt up and my knickers pulled down round my ankles. With three fingers inside my fanny and the index finger of the other hand flicking my clit, I knew it wouldn't take me long to reach that blissful place.

Usually when I come I close my eyes, but this time I made an effort to keep them open and, as my body went into orgasmic contractions, I watched the two women on-screen getting their own kicks, groaning loudly and thrashing around.

I lay there panting heavily for quite a few minutes afterwards, but eventually got up and put the DVD back where I'd found it. I was still aroused, though, and couldn't stop thinking about those girls licking each other out. I wished I knew someone I could try it with, but I don't think any of my friends are that way inclined – and I don't fancy trying it on to find out!

A couple of hours later, I still hadn't managed to get my mind off sex, despite Alfie being due home, and getting the housework done. My knickers were sopping wet and my still-swollen clit throbbed, making me yearn for some satisfaction. As soon as Alfie stepped through the front door, I was all over him.

After snogging the face off him, he didn't seem to mind when I pushed him to his knees and pulled his head up under my skirt. He immediately got the hint, and his tongue was soon working away. I closed my eyes and my mind wandered away until I found myself fantasising that it was the blonde girl from the porno eating me out.

I came pretty quickly, then rolled him onto his back on the floor, pulling his trousers and pants down in the process. I rode him hard, grinding my pubic bone against his. His cock filled me, but in my mind's eye he was the blonde girl who I was screwing, with the double-ended dildo. He didn't last long at that speed, exploding inside me before going limp. I moved up his face and let him bring me off with his tongue again, all the while replaying that DVD episode in my head.

Alfie still doesn't know that I found his secret stash. Neither does he know that I've taken to watching all the lesbian porn I can find and using it to build vivid fantasies with.

He seems happy that our sex life is going from strength to strength, but it's probably a good job he doesn't know what I'm fantasising about as we screw.

Getting close to naturists

I have always been a bit of a dirty sod, buying *Razzle*, enjoying looking at neighbours sunbathing topless and stuff, but my wife Alice has always been a bit shy.

You couldn't exactly call her a prude, but she definitely wasn't on the same pervy wavelength as me.

It came as quite a surprise, then, when I finally persuaded her to go to a beach that is unofficially naturist about eighteen miles up the coast from us.

We took a packed lunch and lots of drink, hoping to find a nice secluded spot in the dunes.

We ate our lunch and I tried to touch Alice's tits and pussy, but she wouldn't have any of it. She thought someone might catch us.

Disappointed, but enjoying the sun, I was half asleep when Alice said she was going for a pee. She got up and said she was going to find somewhere private.

She finally came back twenty minutes later and flopped down beside me, lying on her stomach. I asked her where she had been for so long.

She replied that she hadn't been able to find anywhere suitable and, not wanting to be seen by anyone, had had to wait for the right moment. I though no more of it and we dozed in the sun.

A little later she announced she was going again. I knew we had drunk a fair bit of water, but not that much! My curiosity was aroused.

She took some tissue paper and I let her get a little ahead before following. Alice walked through the dunes for about forty yards and crouched down.

I could immediately see at least four naked men wandering about, obviously interested in the sight of an attractive nude woman.

They positioned themselves at various angles about ten to fifteen feet away from her. For her part, Alice seemed not to notice them.

I was about to go to her and warn her but something made me stay where I was. After all, she was safe enough.

She squatted down and proceeded to pee into the sand in front of her. The men could all see exactly what she was

mymags.net

visit www.paulraymond.com

doing, and one was stroking an impressive erection.

She stayed squatting down, but then opened her legs widely and made a great show of wiping her wet fanny with a tissue.

All four men were now openly wanking, but Alice appeared to be oblivious. She buried the tissue in the sand but kept her legs open.

She started to rub her middle finger up and down her wet slit.

She must have known she was being watched and wanked over, but unashamedly she carried on.

She moved her finger in circular movements over her clitoris and started to moan softly, gently bucking her hips backwards and forwards.

Two of the men had actually come within three feet of Alice but she still gave no sign of knowing they were there. To be honest, I was wanking my own prick for all it was worth.

I don't think there was much of an interval between all six of us cumming! Alice then smiled up at the men, watching the different loads of spunk spraying out of their cocks.

She shuddered to her own climax, her fingers a blur.

I nipped quickly back to our towels and lay down. When Alice sat down, I asked her if she'd been able to find anywhere suitable.

She said it had been difficult to find anywhere private. I lay there and smiled to myself, thinking about how I would broach the subject later with my formerly shy wife.

I was also thinking about all the fun we were going to have on the beach in future!

All aboard the fuck truck

"He finger-fucked me till I came while the other chap sucked my erect nipples"

Late one Friday night I was on my way home from a night out with a couple of friends. We had been out to an underwear and sex toys party and I was quite horny – dripping wet in fact!

I dropped my friends off and headed for home. Half way there I could feel my car pulling left. I pulled off the road into a truck stop on the side and got out of the car.

I was only wearing a black leather top with see-through front, no bra, a short red skirt, a black leather G-string and black lace hold up stockings.

I looked around and saw there were four trucks parked there. After a few seconds a couple of drivers came over to see if they could help me.

When they saw what I was wearing they started wolf-whistling. Then the other drivers came over to see what was going on and they stood around me.

One asked what a tart like me was doing in a place like this. I told him I thought I had a flat tyre. He said he'd change it for me so long as I paid him in kind.

I laughed but he wasn't joking. This was one of my fantasies – to be fucked by a load of dirty truckers. I was a little scared but excited by the possibility of it.

One driver grabbed my arse and said he'd like to fuck me in the back of his truck. He slipped his hand up my skirt and into my G-string. I was so horny I didn't try to stop him.

Wallpapers.net

visit www.paulraymond.com

He shouted to his mates, "This bitch is soaking wet!" Another one grabbed my huge tits and told them all I needed a good fucking.

The first bloke still had his hand down my G-string and was giving my pussy a good rub. He finger-fucked me till I came while the other one sucked my erect nipples.

The other four blokes watched for a while, but I was so horny I was ready to take them all on. They began to push me from one to the other, touching me all over.

They kissed me, fingered me, sucked my tits and licked my dripping wet cunt. I came so much it was running down my legs. It didn't run far – they lapped it up and rubbed it over my tits.

It felt so good and the smell of diesel was really making me horny. When they had finished handing me around they ripped off my leather top.

Then they cut my leather G-string off, bent me over the bonnet of my car and fucked me one by one. I had never had so much cock up me – I loved it.

When they were finished doing me over the bonnet they carried me to one of their trucks. I lay on my back and they started all over again.

I had cocks in my mouth, they fucked my tits and my pussy. One trucker even had his finger up my arse, which felt strange, but good – it made me even hornier.

They came in my mouth and over my tits, rubbing it all over me with their big hard cocks and making me lick every trace of cum off their meaty knobs.

I had two fucking my mouth while one fucked my tits and the other licked my wet cunt as I tossed the remaining two off.

I had six big diesel-smelling truckers all at the same time. They'd regularly change places and this went on for hours before eventually they let me clean up and go home.

They changed my flat tyre for me and off I went. I never saw them again but I will never forget them or that night.

"I rubbed my aching prick against her peachy bum cheeks"

Are any of your readers old enough to remember National Service? I doubt it. Come to think of it, neither am I, but that's the new nickname we've given to one of the girls who goes to my local. She earned it courtesy of one of the regulars after a particularly eventful barbecue...

My pub landlord always dusts off his mega-barbeque at the first sign of the sun for a Saturday night grill-up. How could we possibly refuse the cheap(ish) beer and a quick dose of E-Coli? A gang of us lads decided we'd make a day of it: footy on TV in the afternoon, followed up by more beer and some grub. The good weather meant the pub was heaving, birds and all, and a few of the local lasses sat down with us. Boys being boys, we got the conversation onto sex after about, oh, maybe ten minutes!

We were all pretty pissed, and it didn't take much encouragement for some of the girls to get a bit fruity and start talking about what they liked in bed. One of the girls, Erica, started saying how tiny her last boyfriend's cock had been. Amanda was all mock-horror, saying she hadn't been shagged properly until she'd sat on a really big cock. That's when Lissa piped up and told her that I was a bit gifted in that department! Fuck knows how she knew; it's not like I advertised it on the girls' toilet wall! Anyway, I was immediately the subject of extreme interest from the drunken crowd of girls, who wanted me to get my todger out, there and then. Drunk as I was, I held back. We were in a pub, after all!

Eventually, the subject matter changed and I was able to stop blushing. But it apparently hadn't quelled Erica's interest in me. I could see her out of the corner of my eye, checking my packet out every now and then, so I decided to have a bit of fun. Excusing myself to go to the gents, I went and gave myself a bit of a shake to get the blood flowing. I tucked myself back in with my semi-lob outside my pants and hanging down my leg. My tight jeans didn't fucking hide much, but I was too pissed to care, and strolled back towards our tables with a very impressive looking bulge in my leg.

I hadn't got halfway across the room when my arm was grabbed. It was Erica. She tried to drag her eyes away from my prick, but she was losing the battle. "Wow," was all she said. Now if I'm honest, I'm not exactly hung like a horse. But I have it on good authority that my prick is just shy of nine inches long, courtesy of an ex who measured it, one drunken evening. Erica was intrigued, and asked nervously if she could see it. Since it was just the two of us, I was definitely game, mainly down to a mixture of booze and ego. Taking her hand, I led her back into the empty gents and into one of the stalls. She sat down on the toilet lid, right at crotch level and looked at me expectantly.

"Well," I said, "it's your first time looking at a big one, so go on, dive in!"

Erica took the not-so-subtle hint and unzipped my jeans, gently easing them down over

my Calvins. As my cock flopped into view, I swear she caught her breath – and as it hung there, I made it twitch slightly. Erica looked up at me and giggled somewhat nervously.

"How big is it?" she wanted to know.

"Well, why don't you try and measure it with your hands?" I suggested, hopefully.

Erica reached out and wrapped her hand around my cock. The sensation of her cool skin on mine had the desired effect, and my prick started to stiffen in her hand. Erica giggled again, but this time when she looked up at me, it wasn't laughter in her eyes. As my cock grew harder, my foreskin slipped back in her hand. Erica squeezed, forcing my bell-end out. I was breathing harder now, and when Erica suddenly bent her head and put my prick in her mouth, my breath caught in my throat. This was fantastic. Unexpected, but fantastic!

The sensation of Erica's tongue on the underside of my prick was exquisite. That, combined with the slurping noises she was making as she sucked me inside her mouth was enough to give me a full boner – which Erica made full use of. She gave a brilliant blow job, bobbing her head back and forth on me and sliding her warm, wet mouth up and down my shaft like an expert. When she pulled away and sat there, tossing me off in her face, I was disappointed and she knew it. "I want to know what it feels like inside," she told me.

Standing up and turning her back on me, Erica undid her trousers and let them fall to her knees. Inching in behind her, I pulled the gusset of her little white thong to one side and rubbed my aching prick between the peaches of her arse. She was already nice and wet, which was satisfying. I pulled her bum cheeks apart and was delighted to see that she shaved her snatch. Just as I eased the tip of my prick into her hot hole, the bog door opened and a couple of lads came in. Erica was ready to scream blue murder as my cock stretched her cunt wide, so I stuffed my hand in her mouth. She bit down hard on my hand, as I gently forced home every inch of my meat. When I was fully inside

her, she seemed to sag back against me and then tensed again. She was breathing hard through her nose and I really thought we were going to get caught. Then I realised that Erica had reached orgasm just having my prick inside her! That got me even harder, and I started to slowly ease in and out of her, her teeth still clamped firmly around my hand. When the lads left, I pulled my hand free and shook it to get the blood flow going again. Luckily she hadn't broken the skin!

"Come on, fuck me with that fat cock!" Erica urged me on. I started to piston my prick in and out of her. I must have been banging into her G-spot with every thrust, because she seemed to be coming almost continually – either that, or she was an amazing actress. She even pressed her face against the wall of the toilet and reached around to pull her arse open further, so that I could get my prick even deeper inside her. As her pussy spasmed around my dick again, I knew I was on the verge of coming and warned her. "I want to see!" she yelped, and quickly pulled off me.

Sitting back down again and yanking her T-shirt up, exposing a pair of big tits with very stiff nipples, she reached out and started tossing me again, aiming me at her chest. Seconds later, my ball-bag shrank and I felt my cock get so hard I thought it was going to burst. A thick string of spunk exploded from the tip and splashed against Erica's tits, covering her right breast in my sticky seed. It was joined by three more jets, before the sensations inside my scrotum subsided and I was able to relax.

As Erica gently teased the last few drops of spunk out of me, I leant back against the toilet stall door, utterly drained. Erica sat there, thoughtfully playing with my spunk on her tits. I was about to thank her when she suddenly said, "That was good. Amanda was right. Who else has a big cock?"

I was gobsmacked. "Um, Andy's supposed to do all right," was all I could think of saying. "Tell him to meet me in here," Erica asked, standing up to kiss me on the cheek. "I want to try another good one."

I did as I was told. I went back to the table, murmured in Andy's ear and off he went. By the time I'd finished my pint, he'd come back over and told me Erica wanted to see me again! As I wandered back to the toilet, bar-propper-upper Simon beckoned

me over.
Regular? I don't think he ever goes home! "That pretty blonde hasn't come out yet," he told me, grinning, with a twinkle in his eye. "Eh?" I stammered.

He winked, "I was up to that sort of stuff when I was your age. We had a girl in Catterick we used to call National Service, 'cause she'd done half the boys at the base after our third week there!" I smiled at him, and strode off to do some National Servicing of my own.

"This is my home office, but like most home workers I spend my time watching Jeremy Kyle, drinking red wine and telling my boss I was just in the loo when he called me," in one of the most shocking confessions we've had from a Razzle girl. "Of course I couldn't take the call because I was sucking my fella off!"

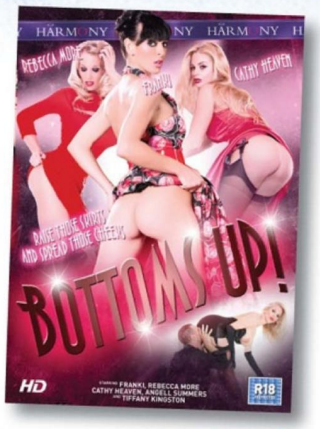

FILM PHW

THE PICK OF BUM BANGING ACTION IN PHWOOOAAR OF THE BEST

Rear My Dear

Bottoms Up!

Released by: Harmony Films
Starring: Cathy Heaven, Franki, Tiffany Kingston, Rebecca More, Angell Summers

BEST BITS: From prison officer Angell Summers (clad in an underboob corset and PVC boots) cavorting with an inmate, to red-hot Rebecca More fucking herself with a dildo chair, before a voyeur takes its place, bending her over the contraption and stretching her arse to its limits, *Bottoms Up!* is our film of the month. Blonde bombshell Cathy Heaven has been carving out a name for herself in the jizz biz as one to watch – something we could do all day! Her pouted lips were made for devouring dicks, and her curvaceous, surgically-enhance figure was made for sin. Starring in the only threeway on offer, mucky MILF Franki (*left*) appears looking glam in a fifties-style dress and sunglasses, serving her blokes drinks then expertly noshing them both off, before riding cock like there's no tomorrow. Atta girl!

WORST BITS: In Franki's scene, veteran pork swordsman Omar has his bright white socks pulled right up throughout, making them very hard to ignore.

DVD FEATURES: Photo gallery, cumshot recap, trailers.

Omar's Anal Adventures In Ibiza 2

Released by: Private
Starring: Cathy Heaven, Nataly Gold, Lindsey Olsen, Savannah Secret, Mira Sunshine, Erika Bellucci, Nisha, Polly Sunshine

BEST BITS: Nope, not that Omar again – this time it's the turn of bald, Italian cock-for-hire, Omar Galanti, here with his equally hairless mate Christian Clay, knobbing as many hot Euro-chicks as they can on one disc. Half of the eight actresses featured began their adult careers in 2013, and sometimes their inexperience shows, but this only adds a fresh sexual tension to the scenes. However, having been around for five years, Cathy Heaven (yes, her again), rocking a foxy brunette 'do, more than holds her own with 12-year veteran Omar, sucking and fucking her way to oblivion, then taking a big load of man-cream all over her pretty face.

WORST BITS: Although three out of the five scenes were trios – and as much as we like the sight of two girls together – the two studs didn't share a model between them!

DVD FEATURES: Just trailers. Unimpressive.

OOOAAR!

Ass Hunting In Venice

Released by: Private
Starring: Valentina Nappi, Emy Russo, Irina Bruni, Coco de Mal, Mira Sunset

BEST BITS: The casting of covergirl Valentina Nappi is the movie's strong point, and her threesome sees her enthusiastically taking two cocks in all three holes, all the while maintaining some seriously horny eye contact with the lens. Stunning Irina Bruni, too, shows off her admirable talent at handling two men at once. From a glorious blowie and a spot of spanking, to a pounding DP and finishing with anal and vaginal creampies, Irina performs it all with ease. We see big things for this girl...

WORST BITS: Some of the best plots in porn are the simplest, but unfortunately, this isn't one. Some guys go prowling around Italy, picking up 'random' women and persuading them to be photographed in a mask and little else, before shagging them senseless for the camera. The flimsy script and disjointed editing are only just saved by the sexy female cast.

3/5

DVD FEATURES: Just trailers. Poor.

Extreme Anal Sluts 5

Released by: Pumpkin Films
Starring: Cherry Jul, Debbie White, Lora Craft, Sunny Jay

BEST BITS: Seeing drop-dead gorgeous Cherry Jul being pummelled up the wrong 'un, and obviously loving it, was like having our Christmas pressies early. She may have a silly moniker, but there's nothing wrong with Lora Craft's fuckable body (*below*). Or her voracious sexual appetite. The all-natural babe looks amazing in flesh-coloured hold-ups, showing off her peachy bum, before riding her stunt-cock in reverse anal cowgirl.

WORST BITS: Only four scenes, but, because the running time is 146 minutes the flick seems overly long and drawn-out.

3.5/5

DVD FEATURES: Trailers. Disappointing.
